

REACH Compliance Statement

At Moxa, we are committed to confirming that Moxa products and accessories fully comply with the requirements of European Union Regulation (EC) 1907/2006. Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) is a regulation of the European Union that was finalized in December 2006 and has been in effect since June 2007. The regulation addresses the production and use of chemical substances to limit their impact on human health and the environment.

Moxa is obligated to share sufficient information with our customers to meet the REACH SVHC compliance requirements under the EU regulation (EC 1907/2006).

The latest Candidate List of (205) Substances of Very High Concern (SVHC) can be found at the following URL. <https://echa.europa.eu/candidate-list-table>

To the best of our knowledge, Moxa does not manufacture and import any products or accessories listed under the intentional release condition in quantities of over one ton per year.

For further information, please contact our Green Product Management System representative by email: GP@moxa.com
